

“Run Like a Wildebeest”

Greg Flint's Run

In March of 2011, the Flushing community lost a great man, Greg Flint. His life was cut short due to an unexpected heart attack at work. He left his mark on this community with his passion for running. Once again, his family, friends and community are coming together to organize the “Run like a Wildebeest” road race to honor him and to help give back to the community he so loved.

Our first five years have been very successful. We are averaging over 600 runners and have had many wonderful sponsors. The Run Like a Wildebeest event has raised just over \$60,000.00, which has had a great impact on the Flushing community. This event provided donations for:

- **TWENTY** scholarships to Flushing High School seniors
- Flushing High School/Flushing Middle School's Track and Cross Country teams with timing equipment and event fees
- Thomas Smith Memorial Foundation; an organization right here in Flushing (www.TommysHeart.org)
- Flushing Christian Outreach Center
- Flushing Community Church Mercy Fund
- American Heart Association
- Flushing's Riverview Trail

We could not have made any of this possible without the help of others.

The Friends & Family of Greg Flint would like you to consider again supporting our event. The features of our Sponsorship program are outlined on the enclosed Sponsorship Opportunities form. There are various commitment levels available and we welcome **any** contribution that you can manage.

Any commitment no matter how big or small can help. In-Kind donations are also welcomed. We always need little things to put in goodie bags for our runners or maybe an item for our prize table.

Race day is *Saturday* – April 29th 2017.

Please help us to make this an unforgettable community event!

Thank You for your time and consideration – we look forward to partnering with you on this opportunity. For more information please contact:
